

ATHLETIC STARS TO SHINE AT FOUR BIG MEETS

Irish-American's Fine Programme for Annual Games—A. O. H. and Eccentric Firemen Have Long Cards—Corks Struggle With Kerry.

The programme for the great summer athletic carnival of the Irish-American Athletic Club was made public today. In keeping with its traditions the club continues its policy of making this event each year a revival of the ancient Tullin games, which comprise all the events in athletics that have afforded Irishmen for 6,000 years a chance to show their physical strength, skill and agility.

The games will be held in Celtic Park on Labor Day, Sept. 2. They include the standard events, such as the 100, 200, 400, 800, 1,600, 3,200, 6,400, 12,800, 25,600, 51,200, 102,400, 204,800, 409,600, 819,200, 1,638,400, 3,276,800, 6,553,600, 13,107,200,
